## Winterfest Sweepstakes Rules

Sweepstakes are awarded to schools receiving the highest number of points. Points are earned for each event in which a student places $1^{\text {st }}-10^{\text {th }}$ and each place receives a different point value. Events have been put into 5 tiers; many individual events receive fewer points than group events requiring more "rehearsals," coordination, difficulty, etc. It is a team effort to win sweepstakes!

## *Events marked with an asterisk are only at the Regional level and do not advance to State.
